

PROPHET IBRAHIM A.S

Give an example of Tawakkul from the story of Ibrahim A.S:

Write down one time from your own life when you displayed Tawakkul in Allah?

Think of a time when you felt worried or scared, how would having Tawakkul be able to change the feeling you experienced?

THE TAWAKKUL LADDER

Entrust all matters to Allah willingly, without feeling forced to do so.

Depend on Allah fully and feel tranquility, even when the means are taken away.

Remain firm in relying upon Allah alone.

Believe every matter has a cause and a means. Take the means.

Know Allah by His qualities and attributes; belief in Allah.
