

PROPHET IBRAHIM A.S

Allah says in the Quran "Indeed, the Patient will be given their reward without account"(Surah Zumar, verse 10)

How does the story of Ibrahim (A.S) teach us patience?

What does being patient mean?

It's easy to sometimes let the moment take over, however Allah wants us to remain mindful and stay patient in these overwhelming moments, find another Quraanic verse or a hadeeth which explains the virtues for those who practice patience.
